

Zen Cone

Soft Recovery Collar

The ultimate soft cone...
Now with Windows!

Plastic cones
add insult to injury

Help ensure a comfortable recovery

As if being hurt isn't bad enough, those plastic cones are downright degrading. Protect your pet's wound and its pride with the ZenCone Soft Recovery Collar. Windows allow your pet to keep their peripheral vision.

Product Features

- Easy to merchandise
- Machine washable
- Conforms to doorways
- Available in four adjustable sizes

patented design

Zen Collar

The Original ProCollar

Inflatable Recovery Collar

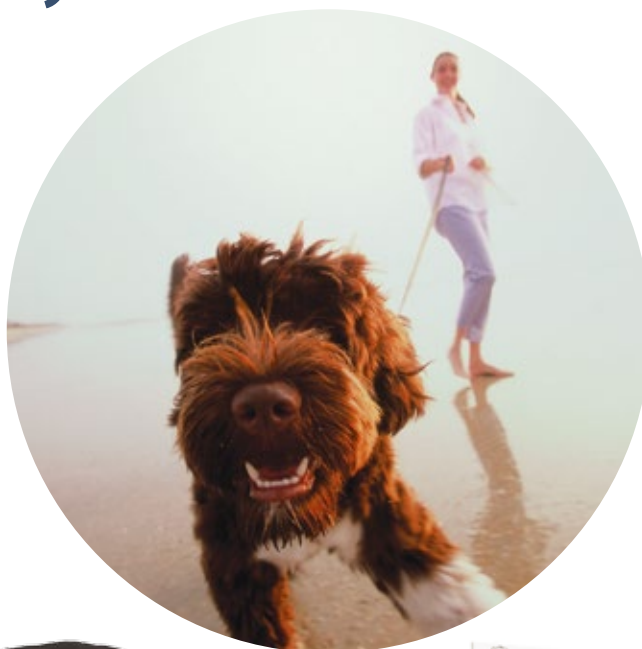

Restoring doggy dignity

Allows pets to eat, sleep and play with ease

Traditional Elizabethan (plastic cone) collars belong in the era for which they are named. The ZenCollar Comfortable Recovery Collar protects recovering pets (as well as shins, furniture, and walls).

Product Features

- Does not block vision
- Durable, lightweight, breathable fabric
- Machine washable
- Available in six sizes

TickTornado™

Tick Removal Tool

Ticks Suck. They Really Do.

Remove ticks safely and easily

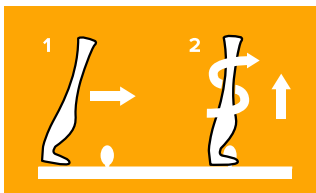

Ticks cause disease in animals and people. The Tick Tornado removes the entire tick, reducing the risk of infection and serious illnesses like Rocky Mountain Spotted Fever, Lyme Disease and Tick Paralysis.

Product Features

- Removes the entire tick - including the head - reducing the risk of infection
- Easy to use - just hook, twist and lift
- Great clipstrip item
- Double hook value pack

Hook - Twist - Lift

for Big Ticks
& Little Ticks

Calming Compression Shirt

Go ahead and ZEN out.

The drug-free way to soothe anxious pets

Like humans, pets have pressure points that, when activated, help calm even the most fearful Fidos.

Product Features

- Lightweight, breathable fabric
- Four-way stretch provides just the right amount of pressure
- Adjustable, custom fit
- Acts as a cooling garment when wet
- Available in six sizes
